1940	
1939	
1938	
1937	
1936	
1935	
1934	

The basis for this list is a compilation of several hundred clubs gotten from books and magazines – mostly BCI's *Bonsai* – made prior to about 1996. Many of these do not have a website or even a Google listing. At least a few are no longer in existence. We post these for the historical value and to allow others to contact me with updates and corrections.

To make comments or updates to this Bonsai Club listing, please email rjb@magiminiland.org .
