**TREASURER:**

Steve Alford

This month's meeting will be on

April 18 @ Firehouse #14

1875 Dublin Blvd. 80918 , from 7 to 9 pm

Last month Steve showed us how to re-pot our bonsai. Members brought their trees that needed to be repotted and Steve showed us how to do it.

For our next meeting we will be discussing Pruning, trimming and propagating our bonsai trees.

We are having a workshop at SSS bonsai on May 21<sup>st</sup>. We will be working on Shimpaku Junipers and there are still openings to sign up for the workshop. The workshop costs \$35, it starts at 9 am and will last for most of the day. Please sign up if you are interested.

As a reminder, club dues are due. Please pay your dues (\$25 for individual members and \$35 for couples) if you want to continue your membership privileges.
