In our last meeting Steve discussed Defoliating deciduous trees. Unfortunately I was not around for that meeting as I was out of town.

For this month's meeting we are going to be discussing how to wire our trees. If you have any trees that need to be wired please bring them to the meeting. Please bring your tools and wire if you have it as well.

Our meeting this month is going to be on Tuesday August 15 at 7 pm at the firehouse.

Our monthly meetings are held at 1875 Dublin Blvd. Colorado Springs, CO 80918, from 7 to 9pm
