This Month's Meeting will be on

February 21 @ Firehouse #14

1875 Dublin Blvd. 80918 , from 7 to 9
pm

The topic of last month's meeting was Botany of a Bonsai Tree. In order to care for bonsai trees it is important to understand how a tree grows, understand the root system and the growth of branches on a particular tree. It is important for bonsai enthusiasts to have a working knowledge of botany as it pertains to our hobby.

In this week's meeting we are going to discuss our upcoming events for the year. Also club membership fees are due. Membership fees are \$25 for an individual member and \$35 for a couple. Please pay in cash or make checks out to Pikes Peak Bonsai Society.
