Our monthly meetings are held
at

1875 Dublin Blvd. Colorado
Springs, CO

80918 , from 7 to 9 pm

At our last meeting we talked about air layering and propagating. Steve showed us the proper way to air layer our trees.

Our next meeting will be on July 25 at 7:00 p.m. We will be discussing how to defoliate deciduous trees. If you have any trees that need to be worked on, please bring them to the meeting.

I am sorry I will not be at our next meeting as I will be in Arizona.
