What would be included in "Full Disclosure"?

* Zero-point non-polluting free energy modalities;

* Acknowledgement that we are not alone in the universe, the galaxy, or even the solar system, and the fact that many governments, militaries and commercial bodies have been in partnership with these others;

* Acknowledgement that these others represent at least scores of sentient non-human races, that they have been on and in earth for millennia, that they can originate from other planets or times or dimensions, that they are not all "good" and not all "bad", and that some are actually clones or hybrids;

* Acknowledgement of and widespread utilization of currently hidden advanced technologies, including over 5,700 or so classified patents that threatened the old world order and economic stability;

* Acknowledgement of the existence and extensive scope of secret underground, undersea, and off-world bases and facilities;

* Clean-up of all forms of pollution and ending the need to produce this side-effect of our life styles;

* Acknowledgement and encouragement of self-healing, beginning with major use of aware placebo effect and active life-affirming beliefs and world views for healthy and productive very long physical lives;

* Employment of advanced healing modalities, including forms which are multi-dimensional;
  * A non-central bank-based economic system without credit or loans;
  * A mini-ice age which is the planet's way of renewing its outer layers;

* Plentiful ethically-produced clean and nutrient-rich non- or minimally-processed foods;

* Plentiful clean and inexpensive desalinated water for everyone;

* Governing bodies that are based on enlightened purpose and service to people and staffed by the same;

* Major revisions of our official histories to include 1) the dark and previously controlling side of humanity, 2) announced history that was not reality, and 3) the true history of a half dozen major previous civilizations going back a hundred thousand years or more;

* The end of the long-time secret pedophile culture around the world, with justice to all the participants;

* A renaissance of non-hierarchal religious and spiritual centerings;

* Acknowledgement of the validity of the electrical universe paradigm of astronomy, biology, geology, and physics;

* Realization and acknowledgement of reincarnation, including our past, parallel and future lives and purposes;

* Acknowledgement of the existence of multiple dimensions and entities therefrom with which we can interact.
